

7th Annual NTMA/PMA One Voice Legislative Conference

April 21-22, 2015

Marriott Wardman Park Hotel | Washington, D.C.

Invitation from Association Chairs

Come bring some common-sense solutions to Washington and join us for the seventh-annual NTMA/PMA One Voice Legislative Conference in Washington, D.C., April 21-22, 2015. This is your chance to have your voice heard directly by the policymakers who are creating the laws of the nation.

Herb Homeyer,
NTMA 2015 Chairman
of the Board

The 2014 elections ushered in yet another wave of change in Congress—one that allowed Republicans to take control of the U.S. Senate and install Sen. Mitch McConnell as the new Majority Leader. In the House, Republicans hold their largest majority in 86 years.

Bill Smith,
PMA 2015 Chairman
of the Board

In 2015, Congress is expected to tackle some tough issues such as energy costs and taxes, while EPA and OSHA will be issuing more regulations in the final two years of the Obama Administration. It is important that policymakers hear how these decisions impact you and your business. Join us at the 2015 Legislative Conference and share your story with members of Congress and their staff.

Once again, a special luncheon with several members of Congress will be held—one of the highlights of the conference!

For first timers and those seeking a refresher, the One Voice Washington Office will offer a pre-conference webinar on April 9 at 2:00 p.m. Eastern to brief participants on what to expect during the congressional visits and the latest policy developments.

We need your help and participation to make sure Washington hears our voice. Please join us April 21-22 in Washington, D.C. to represent manufacturing in America.
